## Spring Services Begin!

### New Legacy Mark

We are so excited to begin the season's services this week...it has been a long winter. As we start to roll out, we want to draw your attention to the new legacy mark, above, that commemorates 31 years of delivering exceptional landscape services, and still going strong. For us, it is a reminder to continue to focus on your needs and strive to exceed your expectations. The excitement of another amazing year of doing exactly that is what propels us forward.

### Updated Spring Services Strategy

We listened to your feedback, and as a result we are updating our start-up of seasonal services. Our teams will perform spring clean ups in a rolling fashion, visiting each site weekly or biweekly throughout the month of April. In this way, we are quickly assessing the condition of each site, providing immediate solutions to any issues that arose during winter, while methodically preparing gardens for the season.
