Enhance Your Landscape With Spring Annuals

What better way to put a fresh face on your landscape than the instant color of annual flowers. The addition of seasonal blooms provides your garden, entrance, and outdoor living space with continuous color and enhances the welcoming ambiance. With spring annuals arriving to our yard each day, our team is busy preparing to install these delightful beauties in our lucky clients' gardens.

Meet RP's Client Stewards

With the season underway, we want to introduce you to our team that makes sure your landscape maintenance needs are met.

Jose Mercado, Maintenance Department Manager

One of RP's earliest hires, Jose's extensive landscape knowledge and experience, combined with his drive ensure every garden detail is perfect, ensures complete homeowner satisfaction. Jose's 30 years of experience and easy demeanor create lasting bonds with clients.

Katie Bellen, Director of Client Experience

A team member since 2016, Katie's secret to providing an exceptional service experience is to build a partnership with homeowners in achieve their aesthetic goals. With over 10 years of landscape design and management, she applies her passion to benefit RP clients.

Terri Thornton, Client Steward

Terri's dedication to enhancing landscapes and outdoor living areas has benefited homeowners in Chicago and suburbs for for over 25 years. She combines her strong background in perennial and native plants with her enthusiasm to ensure clients enjoy their outdoor environments.

Gabe Mercado, Client Steward

Gabe joined RP in 2000, and has gained extensive plant and hardscape experience by wearing many hats over the years. Because of the varied positions he's held, he has an adept ability to find solutions to challenges and provide clients with their landscape goals.

Client Steward Team

Our team will be performing the following service this week in a rolling pattern in order to assess each site and provide timely solutions to any issues that may have surfaced over the winter:

Spring clean ups

Plant Health Care

As services begin, we are watching for issues that may have arisen over winter such as animal damage, snow mold on turf and overwinter scale on groundcover. We will begin providing the following services as weather allows:

Turf fertilizer

Animal repellent
