## What to Expect With Spring Landscape Services

*"If we had no winter, the spring would not be so pleasant." ~Anne Bradstreet.*

We hope you had a joyful Easter and a relaxing weekend. As the week begins, the process to get your landscape ready for the colorful burst of spring has already started. Our teams are providing services on a rotating basis to ensure we get to each of you in a timely manner in preparation of this year's growing season.

Below is a list of seasonal services that we will be providing over the coming weeks, as contracted:

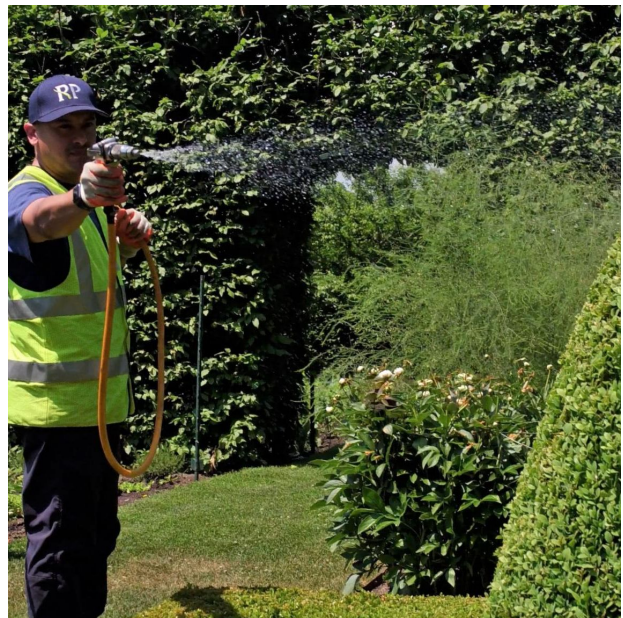

- Raking
- Spade edge planting beds
- Cultivation of beds
- Prune broken or damaged branches
- Cutting back of any perennials that were left standing for winter interest
- Debris clean up and haul away

Additional spring services that are available:

- Mulching beds
- Lawn aeration
- Power raking
- Annual flowers
- Fertilization of beds and/or lawn
- Shrub trimming

In addition, our team will be looking for any signs of pests or diseases brought on by the recent cool, wet weather. Feel free to contact your Client Steward directly for any requests for service.

## Client Steward Team

Our team will be performing the following services this week in a rolling pattern in order to assess each site and provide timely solutions to any issues that may have surfaced over the winter:

**Spring clean ups**

**Seeding thin lawn areas**

## Plant Health Care

As services begin, we are watching for issues that may have arisen over winter such as animal damage, snow mold on turf and overwinter scale on groundcover. We will begin providing the following services as weather allows:

**Ornamental insecticide on boxwood**

**Evergreen fertilizer**

**Animal repellent**

## Contact Information

Feel free to contact your Garden Steward directly with any questions or requests for service. Or contact our office 847/549-1361, Monday-Friday, 8:30am-5:00pm.

*NOTE: We continue to respect physical distancing protocols for staff and client safety until further notice.*
