## Spring Bulbs Help The Garden Come Alive

Watching the garden day after day, week after week, for signs of life this spring has been excruciating. The anticipation seemed unending, but now that the rain has stopped and the sun has come out, gardens are in full bloom and overflowing with cheerful spring bulbs. And WOW, what a show!

Because spring's arrival is so anticipated each year, your Garden Steward will be assessing your current bulb display to ensure it has maximum impact. They will make recommendations to enhance your spring garden and showcase the season's appearance every year. You can watch for their assessment and suggestions over the next couple of weeks. If you are interested in adding bulbs to your garden, you can contact your Garden Steward directly, or call our office: 847/549-1361.
