Summer Annual Enhancements

We hope you are taking advantage of the lovely weather we have been blessed with and enjoying your gardens that are blooming in appreciation. Our wish is that we have a summer filled with beautiful weather days, allowing a full season of outdoor living and stunning gardens.

As you prepare for summer events with family and friends, remember to enhance your outdoor rooms with cheerful summer annuals for extra ambiance. Adding decorative annuals to your outdoor rooms extends your entertaining space and creates a festive mood to set the stage. Father's Day, graduations, backyard barbeques, family reunions, etc., brings loved ones together, and knowing your yard is accessorized for the festivities makes gatherings even a bit more special.
