February 27, 2023

## Offering More Green Options

Beginning this season, Rosborough Partners is taking the lead on going green. Each trailer is now equipped with electric blowers to help our team serve you while keeping the noise and air pollution to a minimum. We are instituting new features throughout the year, beginning with the rollout of our first **Green Trailer**. With our focus on protecting the environment, this trailer is outfitted entirely with electric lawn equipment.

Here are the benefits with our new **Green Trailer**:

- No greenhouse gas emissions
- No risk of chemical spillage that pollutes water or soil
- No chemical cleaners, solvents and degreasers required for engine maintenance
- Reduced solid waste without need for filters, spark plugs, etc. for typical combustion engine

- Reduced noise and air pollution
- Safer and easier operator use and maintenance

Over time we will be turning out a fleet of **Green Trailers** as we swap out our existing line of trailers. We have but one world, and our focus is to protect the environment we rely on and enjoy. Our team will be continuously exploring new ways to work in harmony with nature as we steward your gardens.

---

## Client Steward Team

This week our team will be performing the following service(s):

**Dormant pruning**  
**Snow services as needed**

## Plant Health Care

CLOSED UNTIL SPRING

---

## Contact Information

Feel free to contact your Garden Steward directly with any questions or requests for service. Or contact our office 847/549-1361, Monday-Friday, 8:30am-5:00pm.

*NOTE: We continue to respect physical distancing protocols for staff and client safety until further notice.*
