## RP Attends iLandscape

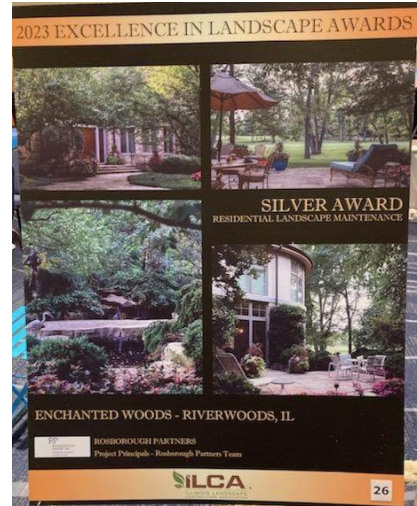

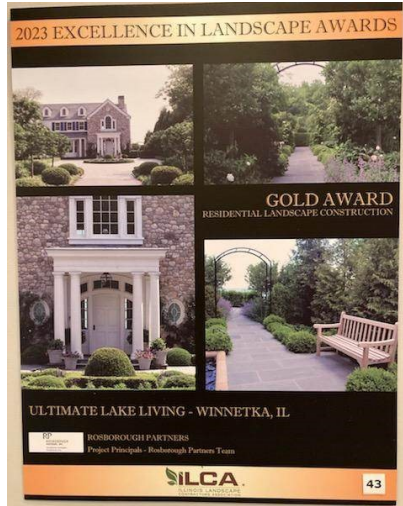

Rosborough Partners' team members attended iLandscape last week, an annual industry event hosted by the Illinois Landscape Contractors Association. This vital show highlights the most recent industry information on equipment, products and applications, along with classes to gain knowledge, training and experience.

There was so much to see and learn at this year's show. Our staff spent the time at iLandscape gathering all the knowledge and information available.

In addition, we gleefully accepted our Gold and Silver landscape awards, and truly appreciate the great honor they represent.

RP attends this event each year to ensure we are providing the best care possible for your gardens, the highest quality materials for your outdoor living areas, and the most efficient use of time and resources.

It was an informative and educational week. And while it was cold outside, inside iLandscape the atmosphere was warm and colorful.
