RP Holds Our Annual Safety Rally

Here at Rosborough Partners we take safety extremely seriously to protect our employees, equipment and client sites. Every year we hold a mandatory Safety Rally for the entire staff to understand proper equipment operation, safe physical lifting and transporting maneuvers, equipment and truck safety checks, and the importance of spotting for truck movement. Our safety record speaks to the effectiveness of emphasizing these critical tactics while on client sites, at our yard, and on the road.

As part of our continued effort to improve safety conditions, RP has joined the National Association of Landscape Professionals (NALP) Safety Company Program. Steve Bartlett, who heads our Safety Committee, explains: *"This program helps us build a stronger safety culture to reduce injuries and hazards to demonstrate our commitment to a safer workplace. The program offers us additional resources and allows us to benchmark our success in safety improvement with other landscape companies."*

Because of the priority we place on safety, our team is well-trained and prepared to service your gardens effectively and efficiently.

Garden Steward Team

Our team will be focused on the following services this week:

Spring clean up

Plant Health Care

The PHC team will be performing the following treatments (click photo for link to all of our PHC services and details):

Leaf miner insecticide on boxwood

Ornamental fungicide on boxwood, Crapapples and Hawthorns

Rose care

Turf fertilization

Contact Information

Feel free to contact your Garden Steward directly with any questions or requests for service. Or contact our office 847/549-1361, Monday-Friday, 8:30am-5:00pm.

NOTE: We continue to respect physical distancing protocols for staff and client safety until further notice.
