RP Held Our Annual Meeting For 2023

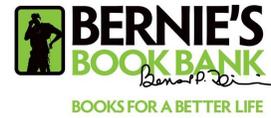

Each year the RP team kicks off the season with our Annual Meeting where we are provided a synopsis of the previous year along with direction and guidance as we begin this year's services. Hearing from our department directors about the plans and goals for the new season is exciting and pulls our minds out of the doldrums of winter.

This year we held our meeting at Bernie's Book Bank, whose mission it is to provide quality reading materials for underprivileged families. We were delighted to be included in this important effort, as we reviewed and sorted hundreds of donated books in preparation for distribution.

As always, our focus this year is to be in service to our clients, coworkers, and

strategic partners, and to promote the positive impact of nature. We look forward to getting our hands back in the dirt as we resume transforming your landscapes into beautiful, functional outdoor spaces for you and your family.
