## Summer Annual Displays

Can you believe it is almost June? Soon the season will turn from spring to summer, and that opens up a whole new set of annuals for display. The colors ... the textures ... the options ... it's almost more than the eyes can devour.

With the abundance of summer flowers, coleus, succulents, grasses, etc., it is difficult to pick a preference or a favorite combination.

Whether in the planting beds or in pots, summer annuals bring an immediate and constant display of your favorite colors and textures, creating an eye-catching display.

## Garden Steward Team

In addition to weekly maintenance services, this week our team will be focused on the following:

### Summer annuals installation

## Plant Health Care

The PHC team will be applying the following treatments as weather allows:

- Rose care
- Animal repellent
- Turf weed control
- Ornamental insecticide for leaf tier on hydrangeas
