RP Gives Back

All of us at Rosborough Partners are keenly aware of how fortunate we are. That is why we share that good fortune with others in ways that can make a real and profound difference in someone's life. Last week it was our absolute pleasure to participate in Bernie's Book Bank's Walk As One Chicago event to raise funds for quality reading material for under-served communities.

Bub City

Phil and others gathered at Bub City in Rosemont to begin their trek through the suburbs. Our team was set up at Lake Opeka with ESPN and Yelp to hand the participants water and snacks. If you are thinking that there are worse ways to spend a beautiful day than being lakeside, you would be correct.

Lake Opeka

The 20 mile trek took the group past Wintrust, Allstate Arena, Lake Opeka, John F. Kennedy Elementary School, and Impact Field. It was heartwarming and encouraging for the walkers to see friends, family, and even friendly strangers cheering them on along the route.

The event was a huge success in raising awareness and donations toward Bernie's Book Bank's mission to transform a child's story. As a team that strives to transform lives, we applaud this effort. When beginning each day, we remind ourselves to look for ways, large and small, to positively impact those around us.

Additional donations to the cause are welcome >
