Fall Flowers And Decor

Always with an eye toward enhancing your landscapes, RP is preparing for warm fall flowers and fun seasonal decor to lighten autumn's ambiance and provide you with a spooktacular setting this fall.

Each season has its own look and feel, but we especially love to embrace autumn's unique mood. It is fun to decorate your homes for all the pirates and princesses that will come looking for tricks or treats.

Our staff has been ordering jewel-toned plants and harvesting pumpkins, gourds and cornstalks that will be artfully displayed at client homes. If you haven't already, be sure to to contact your Client Steward with your request for some fun fall flavor. Or call our office 847-549-1361 M-F, 8:30-5:00p.

Garden Steward Team

This week our team will be focused on the

Plant Health Care

The PHC team will be applying the following

following in addition to performing weekly maintenance services:

treatments as weather allows:

Contracted enhancement installations

Rose care
Animal repellent
