Benefits Of Power Washing

After summer's weather and the debris it leaves behind, patios, walkways and driveways develop a build up of organic matter that attaches itself to porous surfaces such as stone, wood, brick and concrete. In fall, giving your hardscape a good power wash deep cleans those services which helps maintain their pristine aesthetic and structural integrity, and is best practice for preparing your landscape for winter months.

To get information about power washing your patio, walkway or driveway, contact your Client Steward directly, or call our office at 847-549-1361.

Garden Steward Team

In addition to weekly maintenance services, this week our team will be performing on the following:

- Mulch installations**
- Contracted plant installations**

Plant Health Care

The PHC team will be applying the following treatments as weather allows:

- Rose care**
- Animal repellent**
- Mosquito abatement**
- Ornamental fungicide on boxwoods**
