Fall Landscape Services

Mother Nature turned the temperature down and is beginning to paint the landscape with vibrant colors. Our hearts flutter with this season shift.

RP will take care of your landscape so you can go enjoy all of fall's fun activities. To make sure your gardens reflect autumn's glory, we offer the following services:

- Aeration and overseeding
- Irrigation system winterization
- Fertilization & weed control

- Deer netting
- Fall cleanup

We recommend the following additional plant health care services to optimize your garden's health:

- Root inoculant for trees and shrubs for extra root strength
 - Anti-desiccant for evergreens to protect from winter burn due to winter's frigid temperatures and strong winds
-

Garden Steward Team

This week our Garden Steward team will be focused on regular maintenance services in addition to the following:

Scheduling deer netting installation

Plant Health Care

This week the PHC team will be applying the following treatments as weather allows:

Ornamental insecticide for leaf miner

Ornamental fungicide for blight

Final weed control for turf

Contact Information

Feel free to contact your Garden Steward directly with any questions or requests for service. Or contact our office 847/549-1361, Monday-Friday, 8:30am-5:00pm.

NOTE: We continue to respect physical distancing protocols for staff and client safety until further notice.
