Landscape Season Coming To A Close

It seems impossible to believe, but this season is almost over. The leaves are changing color, the air is getting crisper, and the days are getting shorter. It's a beautiful time of year, but it's also a time to start to wind down for the season.

Please be aware that our regularly scheduled maintenance ends on November 13th to wrap up final fall clean ups. Our teams will be extremely busy between now and then to make sure your gardens are looking spectacular in their autumn regalia and ready for winter.

Out of season services that are helpful to protect your landscape investment and enhance your holiday curb appeal are available. Those services include:

- **Winter pruning**
- **Buckthorn removal**
- **Deer protection**
- **Holiday lights**
- **Winter decor**

Please contact your Client Steward or PHC Representative to inquire about any additional services.

Garden Steward Team

This week our Garden Steward team will be focused on regular maintenance services in addition to the following:

Fall clean up

Plant Health Care

This week the PHC team will be applying the following treatments as weather allows:

Ornamental insecticide

Leaf miner application for Boxwood

Root inoculant
