## Preparing For Holiday Decorations

The holiday season is right around the corner, and we want to make sure your home is ready for your family's festivities.

Our team has begun stocking fun holiday lights, textured evergreen boughs, colorful winter berries, and rich velvet bows, to dress Chicagoland in merriment. Let us help you create a cheerful and inviting home for your family and friends this holiday season.

Give your Client Steward a call today for your custom wreath, garland, container, and/or light display that will bring your family together and make

your spirits bright. We look forward to helping you make this holiday season your best one yet!
