Snow Services

Oh boy ... we all woke up to the first snow of the season last Tuesday and had to brush the stuff off of our cars. Seeing autumn mixed with winter was beautiful to look at, but the reality of what lies ahead was driven home.

We know the challenges winter can create for those of us in the Chicago area, which is why we offer snow services to as many clients as possible. Due of the urgency of time with snow removal, the areas we are able to effectively service is limited. The following are the towns where we offer snow services:

Deerfield * Evanston * Glencoe * Glenview * Grayslake * Gurnee
Highland Park * Highwood * Kenilworth * Lake Forest * Libertyville
Lincolnshire * Mundelein * Northbrook * Northfield * Riverwoods
Vernon Hills * Wilmette * Winnetka

If you live in any of these areas and are in need of snow removal and salting services, or if you're unsure whether we offer services in your area, please contact your Client Steward, or call our office Mon-Fri, 8:30a-5:00p. Our team will provide you with a quote as quickly as possible so you can be prepared for the inevitable.

Garden Steward Team

This week our Garden Steward team will be focused on regular maintenance services in addition to the following:

Fall Cleanup

Bulb installation

Rose protection

Plant Health Care

This week the PHC team will be applying the following treatments as weather allows:

Anti desiccant
