Welcome, Autumn

It seems unreal, but autumn has arrived and is beginning to colorize the Midwest. It's a bittersweet time of year. On one hand, we're sad to see summer go. But on the other, there's something so magical about fall. It's time to cozy up by a fire with gooey s'mores, or decorate a scarecrow to stand watch in the yard. Autumn's allure draws us outdoors on cool, crisp days to walk among the falling leaves, arousing pangs nostalgia deep in the soul.

At RP, we are embracing the season by bringing its rich, jewel-tone colors to life with flowers, pumpkins, and gourds nestled among your flowerbeds, baskets overflowing with autumn leaves, and wreaths hung on your front

door. We love to add whimsical touches like hay bales and cornstalks that enhance the warm ambiance. Give us a call for your personalized autumn decorations.

Garden Steward Team

This week our Garden Steward team will be focused on regular maintenance services in addition to the following:

Fall annuals installation

Plant Health Care

This week the PHC team will be applying the following treatments as weather allows:

Core aeration

Ornamental fungicide on boxwood blight
