## RP Wins Landscaping Gold!

What an exciting way to start off the new year! Our Design and Construction teams developed and installed this amazing landscape to complement our client's lovely Cape Cod style home on Lake Michigan, and we are thrilled to be recognized by the ILCA (Illinois Landscape Contractors Association) for our work.

The project began with the homeowners expressing a desire for increased curb appeal and unobstructed views of the lake. As the design took shape, it blossomed into a full landscape transformation that now includes outdoor cooking and entertaining spaces, colorful gardens and screening from neighbors, and a private beach complete with a party patio and fireplace.

The client is ecstatic with the result and takes advantage of every aspect of the redesigned landscape. By leaning into our collaborative approach, this became more than a project; the redesign was a shared journey where our talented team was able to deliver the landscape of their dreams that has enhanced their lives.
