## RP Attends iLandscape

Last week our staff attended iLandscape 2024, the premier industry event for Illinois and Wisconsin. The show offers education seminars, hands-on workshops, early exposure to new products and equipment, and so much more. Our team embraces these learning opportunities to ensure we are perfectly positioned to meet your needs and exceed your expectations in the coming season.

Did we mention that we won two awards? It was such a thrill for the RP staff to be recognized by our peers for the team's hard work and commitment to excellence in both the Construction and Maintenance categories.

Here are a few glimpses into this important and fun exhibition:

As we get ready for the 2024 season rollout in just a couple of months, it is critically important for us to be prepared for your landscape transformations. That dedication is quite literally why we do what we do. For a fully immersed experience of the show, click the video link >>>
