Transforming Landscapes...Transforming Lives

CULTIVATE

April 1, 2024

Our Season Begins

It's official! Spring has sprung and we are on it! The warm winter has played havoc with our minds and sense of time, but this week officially begins our spring clean ups. We're excited to get on site and begin transforming your outdoor spaces into havens for family fun. We'll clear away all the lingering signs of winter, leaving your gardens fresh, inviting, and ready for the warm season ahead.

As we begin tending to your landscape in the coming weeks, our team will be performing the following services while on site (your specific services may vary based on your contract):

- Clearing debris

- Power raking
- Edging
- Mulch installation
- Lawn de-thatching
- Lawn aeration
- Spot seeding
- Turf renovation
- Power washing

NOTE: If you haven't already returned your approved 2024 contract, please do so by the end of this week. Also, be aware that some plant health care applications are time sensitive. We want to ensure your investment is protected with preventions applied within the specified timeframe. Feel free to contact your Client Steward or our PHC department with any questions or requests for service. We're here to help create a flourishing outdoor space you can enjoy all season long!

Garden Stewardship

This week our team will be focused on the following maintenance service:

Spring clean up

Plant Health Care

Plant health care starts back up this week with the following services:

Ornamental insecticide for boxwoods
Ornamental fungicide for scab prevention
Evergreen fertilizer

Contact Information

Feel free to contact your Designer, Client Steward, or PHC Technician directly with any questions or requests for service. Or contact our office 847/549-1361, Monday-Friday, 8:30am-5:00pm.
